We would like to introduce you to our new app that will help our church stay connected to one another. It's called Realm.

What is Realm? It's an online ministry tool that helps our church stay connected. Realm allows you to manage your personal information and who is allowed to see it, control your giving, and keep in touch with others in our church. It is also a place for prayer requests and church events.

Why use Realm? It helps us serve you better, and unlike our paper directory, it is filled with the most current contact information for our church family.

What about my privacy? Realm is only made up of the people in our church, so it's not like a social network that's open to everyone. Realm keeps your data safe and gives you control over what information you share and who can see it.

What about giving? Realm places giving right in the palm of your hands. Realm will automatically record all electronic gifts and adds them to your giving record making it easy to give and track.

How do I start? We will need your e-mail address to be able to send you an invitation to join Realm. You can contact our church office at (423) 652-2938 to request an invite. You can also download one of the apps below to use on your mobile device once you've created a login. You can also search your app store for **Realm Connect—For our Church**.

Let's get connected.

Download our Connect app today.

- Update your personal information

Let's be the church... together.

Realm Connect

Please note, we will be discontinuing our **New Grace Baptist Church app** in the month of May. If you are currently making online donations through this app, you can enter those on Realm, or on our church website www.newgracebaptistchurch.org which has a direct link. Prayer requests can also be made on Realm as well. If you have any questions please see our church secretary, Cindy Gross.
